

## RINGMASTER™ PNEUMATIC CLIP GUN

### CLIP IT QUICK

The Waratah® Ringmaster pneumatic clip gun is a fast way to secure clips to fence wires.

#### Application

The Ringmaster has been designed to clip wires together, faster and more consistently than manual processes. The result is fast fence wire installation and reduced physical effort. The Ringmaster clip gun can be used to:

- Secure netting to prefabricated (prefab) wire
- Secure netting or prefab to fence line wires
- Quickly and easily attach extra wires to your fence

## Features & Benefits

- Pneumatically driven (air operated)
  - Air operates a piston in the gun which forces the jaws to close around the wire clip, this reduces manual effort as the gun does all the repetitive work for you.
  - Faster than a manually operated hand gun.
  - Quicker operation lets you do more in less time.

- 12 months Warranty
  - Waratah will repair or replace any fault in workmanship for a period of 12 months from date of purchase.
- Balanced ergonomic design
  - Comfortable to operate.
  - Light weight.

## OPERATION

1. Load with clips.

2. Press jaws against wire.

3. Press trigger and ring will close around wire.

Recommended for use with the Waratah pneumatic clip gun

## RINGMASTER™ LONGLIFE™ CLIPS

- 1.80mm diameter wire clips
- Australian made steel – consistent strength
- Longlife coating – maximum corrosion protection
- Manufactured in Australia – quality control process
- Carton quantity 10,000 (10 boxes of 1,000 clips)

## TOOLS AND ACCESSORIES

- Thumpa® post driver – drive Waratah posts faster
- Post clips – to attach wire to GalStar posts
